

CSC 2310: PRINCIPLES OF COMPUTER PROGRAMMING

Lab 13

How to Submit

Please submit your answers to the lab instructor once you have completed.

Failure to submit will result in a **ZERO FOR THIS LAB. NO EXCEPTIONS.**

1. Modify the StyleOptions program to allow the user to specify the size of the font. Use a text field to obtain the size.
2. Modify your solution to the above program such that it uses a slider to obtain the font size.

(Note: You can use your class notes to access the StyleOptions program).

You should have a correct main method(). (40 points)

Put all your codes in one file. Your file must be runnable. (40 points)

Your file name and class name should contain your first name. (20points)

Just submit .java file. Put your lab time on the comment board of dropbox.

Full points will only be given to students who show me the result before I leave.
